

Community - Content Creation for U&I

Mission: To engage and influence youth audiences by providing accessible information on the Unite and Inspire verticals through content creation

Objective: Unite & Inspire is currently in the process of creating a training and orientation platform for new volunteers. Interns would be working solely with the vertical leads to understand the work. Develop content for orientation for each vertical

Goals: The goal is to create informational videos and documents regarding the works of Unite & Inspire, this content would be the keystone of the organizations orientation platform. The intern is expected to create 15-17 minute videos (multiple or single). and a 2 page summary of the multiple verticals of Unite & Inspire

Deliverables:

- Mandatory in-person final project presentation to summarize the outcomes of the project and challenges faced, proposed solutions
- Final report

Requirements:

- The intern should have familiarity with all verticals of Unite & Inspire.
- The intern would work closely with vertical leads and rise and thrive mentors to identify the areas and topics for the content.
- All content should be regularly reviewed and approved by the team.
